

Joe Platte from Grand Rapids raised the 2021 winning pumpkin at 1501 Pounds!

4th Annual Great Pumpkin Contest

Entry deadline: August 20, 2022

Exhibitor Fee: \$15.00

Only 1 entry per exhibitor.

Superintendent: LC Scramlin (248) 894-5558. Email: lcscramlin@hotmail.com for questions.

Thanks to the generosity of Oakland County Farm Bureau, exhibitor fees and entry for the Great Pumpkin contest will be sponsored in full for all GPC exhibitors for the 2021 fair. Oakland County Farm Bureau, Michigan's oldest County Farm Bureau, is proud to help bring this exciting contest to the Michigan State Fair.

To clarify: Oakland County Farm Bureau will pay for 1 exhibitor entry (which includes 1 exhibitor pass) and the contest entry for 1 pumpkin.

In order to prepare for the number of pumpkins that are coming to the fair, exhibitors will still be required to send in an entry form to the Michigan State Fair.

Weigh in is Tuesday August 30, 2022 from 6pm-8pm at the Michigan State Fair, located at the Suburban Collection Showplace 46100 Grand River Ave. Novi, MI 48374.

Giant Pumpkin Division Terms & Conditions:

Rules:

1. Please read the Michigan State Fair Terms & Conditions. This contest is also under the sanction of the Great Pumpkin Commonwealth (GPC). Exhibitors please read and follow GPC rules. It is the responsibility of the exhibitor to be familiar with and understand all terms and conditions concerning exhibition.
2. The Specimens must be grown and cared for by the exhibitor. Growers from any state can compete.
3. Specimens that have been previously weighed at a weigh-off contest other than the Michigan State Fair's will not be eligible for the Michigan State Fair Competition.
4. Each specimen must be sound, healthy and undamaged. Entries must be free of rot, holes and/or cracks through to the interior cavity, chemical residues and serious soft spots. Cracks, holes and openings shall be free of any foreign material. The judges will probe any crack, hole or opening into the specimen which visually appears to extend into the interior cavity. A 36" by 1/16" probe will be provided to the judge to probe any suspect cracks, openings or holes. An opening where the probe meets no resistance into the interior cavity will disqualify the specimen from the completion. The decision of the judges is final.
5. Chemical residues and soil must be cleaned from the specimen before arrival at the Michigan State Fair for the protection of judges, lifters and spectators.
6. The judges have the right to fully inspect each specimen before the official weight is announced. Refusal to allow a thorough inspection of the specimen will result in disqualification.
7. Specimens must clear the scale in sound condition in order for the weight to be official and grower eligible for prize money.
8. In the event of ties, the prize money for that placing and the placing below will be combined and split equally.
9. Exhibitor wishing to retain their pumpkin must state so at time of weigh in. All others become the property of the Michigan State Fair. The top 5 placing pumpkins will remain on display at the MSF until Monday September 5 at 3pm. If the exhibitor is not there at that time, the State Fair has the right to remove the pumpkin. All other pumpkins will be released after weigh in.
10. Prize money will be awarded based on each entry clearing inspection and weight.

Department- 46

Section- 7

Class-1
