

Home Arts/ Agriculture Scholarship Application Form

It is the mission of The Michigan State Fair to promote and celebrate the positive achievements in Michigan Rural and Urban Agriculture, Business, and Industry. To fulfill that mission we annually recognize and celebrate those youth participating in Rural and Urban Agriculture development and this year will be awarding \$40,000 in scholarship dollars. We are able to award these dollars because of our amazing partners Michigan Foundation for Agriculture, ITC, The Detroit Shriners, The Kroger Company of Michigan, Guernsey Farms Dairy, and C.F. Burger Creamery.

Who is eligible to compete for a Scholarship?

Home Arts and/or Agriculture exhibitors will compete for up to twelve (12) \$500 Scholarships. Eligible to exhibitors eight (8) years of age and no older than twenty (20) years of age as of January 1 of the current year. Open to Michigan Youth only.

An exhibitor is only eligible to win 1 scholarship per year at The Michigan State Fair, but may enter more than one division.

In addition, to awarding Gold Ribbons, to winners at fairs in Michigan, ALL youth will be eligible to enter the 2022 Michigan State Fair.

School Transcripts will NOT be required.

The Home Arts/Agriculture Scholarships will be based on 2 areas:

1. Placing will be done as follows (50%):

- Exhibit at a fair in Michigan, but not necessarily this year. Fairs that take place after the entry deadline for the Michigan State fair can still have youth enter if they exhibited in previous years. Fair entries and applications for scholarships are due August 1st, 2022 - August 5th, 2022 with late fees. Exhibitors at later fairs have the option of entering and exhibiting at the 2022 Michigan State Fair (paying exhibitor fees). Gold Ribbon Exhibitors at fairs after August 5th will be eligible to enter and apply for free at the 2023 Michigan State Fair. Points will be counted on up to 6 projects in the Youth Home Arts/Agriculture departments.
- Exhibitors may enter more than 6 projects, but only the top 6 placings will count for points. (A youth may enter 10 projects and will be paid premiums regardless of scholarships earned).
- Exhibitors must designate if they are applying for the Home Arts or Agriculture Scholarship and make sure that they have enough projects to fulfil the requirements for their area. (Example: if an exhibitor enters 3 Home Arts classes and 3 Agriculture classes, they probably would not have enough points in either division to win a scholarship). Exhibitors may choose not to enter 6 projects, but will be at a disadvantage in the scoring of points. Entries in Departments 60, 61, 62, 63, 64, 65, and 69 count for the Home Arts Scholarships. Entries in Department 66 count for the Agriculture Scholarship

2. Personal application that includes questions, and evidence of community involvement. 50%

***All pieces of the application MUST be submitted together either here on line or print this form and mail in a hard copy. ***

Please attach all of the following with your application at the same time:

- A picture of yourself
- A picture of your project (minimum of 1 picture and maximum of 3 picture)

Personal Information:

Name: First & Last Name:
